

My fear of animals  
By Amos the Transparent

Bb6 Ebmaj7  
Bb6 Ebmaj7

Bb6 Ebmaj7  
Away, away, away with this robin's nest  
and all the tears you shed you'll soon forget  
F C#m7dim5 Gm F Eb F  
Just don't leave us left behind on the right side of the mind you've set

And away, away, away with this old news  
'Cause nothing ever came from what I thought that I knew  
F C#m7dim5 Gm  
Just don't tell me that it shows through my fear of animals

Gm Cm

And I wonder if I left for good would you get lost in someone else?  
Would you hang me up on a shelf and cry for yourself?  
And I say these words 'cause I never could get caught up in myself  
'Cause a heart needs another heart to settle

Gm Eb Bb Bb/A

(N.C.) Gm  
And away, away, away with this old news, 'cause nothing ever came from what I thought that I knew  
Cm Gm  
A little love can go so far these days  
It's about time we stopped lying about this  
Just don't sell yourself short this time, my dear
